

# Debayan Ghosh

Aspiring Full Stack Web Developer

Santipur , 741404

9609384607

debayanghosh408@gmail.com

**Brainware University, Kolkata — BTECH CSE \_ AIML**

JULY-2022 - currently

Currently holding a GPA of 9.64

## PROJECTS

### Stack-Overflow Clone — MERN stack and stuffs

This is a Stack Overflow clone where the user can log in via Google OAuth

And they can post their questions to the community and the users try to answer them

Live Link: <https://felixunderflow.onrender.com/>

Code: [https://github.com/felixoder/discussion\\_group](https://github.com/felixoder/discussion_group)

### Personal Blog App - MERN stack and stuffs

This is a general blog app where I had implemented a fully functional ADMIN dashboard to control the users and a nice UI for interaction

Live : <https://felix-blog-hfx2.onrender.com/>

Code: [https://github.com/felixoder/debayan\\_blog](https://github.com/felixoder/debayan_blog)

### University Management System - Django - Postgresql

This is a university management system made with Django postgresql and I have implemented the admin , faculty and the student functionality and they can apply for leave and give feedback

Live : <https://cms-yvyw.onrender.com/>

Code: <https://github.com/felixoder/cms>

..... And many more to view them visit
